SPORT MANAGEMENT

COMPLETE MANAGEMENT OF SPORTS RESIDENCE

BEST EUROPEAN SPORT TOWN OF ALL TIMES

LA NUCÍA
NATIONAL SPORTS AWARD 2012

WHO ARE WE?

Playmakers is a company that is responsible for the comprehensive management of sports and / or leisure stays for different groups of people (sport teams, companies, schools, associations, etc.) eager to practice sport and spend a few days of training or enjoying excellent activities.

All thanks to its privileged situation:

- **The best sports facilities**, located in La Nucía (recently awarded as the "best European sport town of all time").
- **A wide offer of hotels** from 2 to 5 stars.
- **Multiple leisure and free time services**: water parks, theme parks, or of animals; cable-ski, kayaks, go-karts, walking routes, routes by bike, or with horses, etc.
- **An enviable geography**, in an enclave that combines to the perfection, sea and mountain, where outdoor activities are a perfect experience.
- **With its wonderful and often visited beaches**, awarded with the blue flag.
- And of course, its **fabulous micro-climate**.

WHAT

DO WE OFFER?

The complete management of everything that is necessary to spend unforgettable days without worrying about anything, with everything scheduled and properly coordinated.

Suited accommodations + private transport + elite sports facilities + leisure and free time activities that are adapted to each one of you.

- **Management and organization** of sports residence, CUSTOMIZED from day 1.
- **Residence in hotels** of 2, 3, 4 and 5 stars.
- **Private transport service.**
- **Best high level sports facilities.**
- **The best environment -sea and mountain-** with an exceptional climate, all year round.

Activities:

- Sports and leisure activities.
- Theme parks, water activities, trips, etc.
